

Stand Your Ground

by T. Heller

Lyrics

It seems today the world's gone mad
Once a faithful nation, we've lost what we had
How did it start, why'd we turn away?
Restore our faith, this is what I pray

Jesus told us how to make it right
He is the Way, the Truth and Light
Surrender now your life to Him alone
And find the greatest peace you've ever known

Stand your ground, live not in fear
I led the way, I'm always near
In this lost world, all you have to do
Believe in Me, I have a place for you

Our cities are burning, the innocent dying
Some fan the flames with their lying
The few who stand against this dark time
They need our help, we must hold the line

Stand your ground, live not in fear
I led the way, I'm always near
In this lost world, all you have to do
Believe in Me, I have a place for you

I'll stand my ground, not live in fear
You led the way, I know you're near
In this lost world, until my work is through
I do believe and I'll follow you
